

**Entitlement is a Dangerous Thing**  
**Matthew 20:1-16; Philippians 2:5 (CSB)**

**Questions for Consideration:**

1. When talking with a non-Christian, how do you describe your Christian faith? Do you just say, "I'm a Christian" or do you explain what that means? How?
  
2. When Jesus walked this earth, do you think he acted as an "entitled person"? Explain.
  
3. Is it "OK" for a Christian to see himself/herself as entitled? How so?
  
4. As a Christian, have you experienced an entitlement in the lives of your friends? Explain.
  
5. What can we learn from Jesus about entitlement? Did entitled behavior ever impact the disciples of Christ? What are some examples of this in Scripture? Were they positive or negative examples?
