OCTOBER 25, 2020

1. If you had the authority and power to change culture, what aspects of culture would you like to cancel?

2. Take a few moments to consider your own life. Take stock of how you spend your time or your money; what are those things that attract you; where do you invest your emotions and passions?
 - a. What are some areas that compete for your attention?
 - b. What do you think is the allure of these competing things?

3. What are some reasons Jesus gives for not investing in earthly treasure?

4. Agree or disagree: In Mt. 6:19-34, Jesus desires to rob His followers of all joy and life pursuits. Why do you agree or disagree?

5. How does seeking first the kingdom of God and his righteousness (v.33) inform and affect:
 - a. Our view and practices towards culture?
 - b. Our view and practices towards treasure, time, passions?
